

Zero Waste Vashon (Z WV) is a non-profit organization that is 100% volunteer driven. Our goal is to inspire, invite, and assist our island community to "Reduce, Reuse, Recycle, and Rethink." by turning waste into resources.

Grandpa's Garage Community Meeting

We are wrapping up the RE+ Seed, feasibility grant soon and will be presenting the results at our September 2nd community meeting. We'll be covering what we've learned and where we are going. Come to the meeting to hear all about this project, the schedule, and how you can help! Community ideas, thoughts, and help are welcome and will be necessary to make this dream become a sustainable and successful community asset for our island. We have some other exciting news too. Zero Waste Vashon was chosen to receive a Circular Lumber Grant to turn our vision of a building materials reuse store into reality. Hear more exciting news at the community meeting!

September 2nd at 6pm at the Land Trust Building. 10014 Bank Road.

Vashon Dish Lending Library

It's been a busy year at the Vashon Dish Lending Library (formerly the No Trash Bash Stash). This long-time Island resource has allowed our community to reduce single use waste by borrowing reusable tableware for parties, gatherings and events. To date we have 96 customers and have loaned out 682 bins of items since we started.

This is all a big project, and we could really use some more **Volunteers**! Please reach out to us at dishlibrary@zerowastevashon.org if you've got a couple of hours to contribute to this effort. We'll keep you updated as opportunities to help come up. [The Vashon Dish Library](#) volunteer signup.
